Tablecloth Overhang (For Square, Round & Banquet Tables)

If a longer drape is needed in the front, as for a head table, 2 - 6" or 2 - 72" cloths could be used, depending on the table length. To add color, we suggest a 42" diagonally over the center of banquet tables, or a 52, 61, or 72" over the round tables. Also, colored napkins used as napkins or under a flower arrangement
